

# Welcome Tour Guide

**The Whitehorse Nordic Centre is a big organization and new skiers can sometimes be intimidated by how to use the Chalet and the trails.** For that reason, we will be offering a ski tour for new users. The tour will show the easy to intermediate trail around the chalet and farther if time and weather permit. In order to simplify group management, this tour are reserved for adults.

*THIS IS NOT A SKI LESSON AND PARTICIPANT WILL BE ADVERTISED THAT THEY SHOULD BE COMFORTABLE ON SKIS, GOING UP AND DOWN HILL ON EASY TO INTERMEDIATE TRAIL.*

## ABILITIES

- Being comfortable speaking in public (group of 8 max)
- Being comfortable on skis on easy (green) to intermediate (blue) trails
- At least a few years' experience of using our facilities.

## WHY VOLUNTEERING?

- Connect with other skiers and share your passion for skiing
- Contribute to the accessibility and inclusiveness of our trails and facilities

## VOLUNTEER NEEDED

**You can guide by yourself or with a partner.**

We hope to have at least 2 guides for 2 tours. One at the start of the season (December) and another at the start of the new year (late January/early February).

## TIME COMMITMENT

**1h30 - 2 hours per Tour / 1-2 times a season**

We like to offer both daytime and evening options to accommodate as many people as possible. *E.g: Tuesday 5 to 6:30pm / Sunday 10 to 11:30am*

## DUTIES AND RESPONSIBILITIES

**With the help of a detailed guide provided by the WNC, the Guide will be in charge of offering a welcome tour to the new users by :**

- Having a walking tour of the chalet and sharing information about the change room and sauna, the waxing facility, the kitchen area and Curling Club Lounge, the services provided by the Ski shop (waxing, merchandise, rental, ...), the event and activities,...
- Introducing the trail network and trail etiquette (including the Dog policy, the safety on the trails, the emergency kit location, First Aid response system, Huts and outhouses)
- Going out for a 1h to 1h30 ski tour on easy to intermediate trails and showing the beauty of the Whitehorse Nordic Center, our TRAILS.
