### **Updates**

#### **4. Yukon Ski Marathon**

Susan Tinevez informed the board that the Yukon Ski Marathon had made a \$4000.00 profit and the event organizers had already set the date of Saturday, February 29<sup>th</sup>, 2020 for the next YSM. Susan said that the group of skiers from Juneau who attended the 2019 event will receive an invitation to return for the 2020 event.

#### **5. 2021 National Bid**

Dermot Flynn led the discussion by providing a summary of the March 27<sup>th</sup>, 2019 meeting. Dermot explained the framework of the meeting and a written summary of the meeting was provided to the board.

There was considerable discussion about whether or not WCCSC should bid on the 2021 Ski Nationals however there was not general consensus that a bid should be submitted. Concerns were primarily focused on the significant volunteer commitment required for the 2020 Arctic Winter Games and whether or not the essential event organizing volunteers would be ready and willing to host another event in 2021.

There was consensus about submitting a bid for the 2022 Ski Nationals.

The board decided to meet again the following week to make a decision.

### **Standing Items**

#### **6. Financial Report**

Adam Greenwood reported to the board that he is still forecasting that there will be a deficit this season as was budgeted but it is too early to determine how much. Adam informed the board that Zone 4 fees will be going up for the 2019/2020 ski season.

#### **7. Club Manager's Report**

Corinna Warren provided a detailed written report for review summarizing, membership and revenue, programs, events and pro shop operations.
